

Showbiz Performer Contract and Parent Volunteer sheet

Performer Name: _____

1) Attendance and commitment:

Cast members are required to attend rehearsals and performances. Please do not sign up for activities you know will conflict. Attendance is critical for productive rehearsals. If a student misses 3 or more practices, they may be asked to forfeit their spot to someone on the wait list.

2) Behavior and attitude:

Showbiz is fun, but we must also maintain an environment of mutual respect and learning for all those involved. Make sure this is something YOU choose to participate in, and can commit to act accordingly. Showbiz is a place for fun, but there is a time for fun, and a time to buckle down and work respectfully, and we will expect you to know the difference.

- A. If a student is being disruptive to the learning process (noisy, bad attitude, disrespectful, unresponsive, etc) parents will be notified.
- B. If the behavior continues, a parent will be asked to accompany the student to class.
- C. If behavior persists, the directors have sole discretion to remove the student from Showbiz.

3) Dress Code:

NO jeans, dresses, or clothing that will restrict movement, NO bare tummies or cleavage (remember we are working very closely together with dance movements and lifts), NO sagging pants (or any under garment showing). General modesty is expected and appreciated. Hygiene: Clean smelling feet/socks, and deodorant are also appreciated.) For performances, hair must be neat and out of your face. No extreme styles (distracts from the group performance/look).

_____ I promise to take the responsibility to attend rehearsals consistently, and show respect to the directors, choreographers, group leaders and cast members. I will maintain dress and grooming standards for rehearsals, performances, and tour. I will work hard, and have a good attitude.

If you are placed in one of the high school groups, will you be able to commit to tour? _____
